**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. The reason that I chose competitive provider(Sonic) because I can get faster and reliable service from them. I used to be an AT&T customer. When I worked from home, AT&T's service dropped on me. Meaning that it disconnected the call with a customer which was not what I expected. And I don't have that issue with Sonic.
